ANNUAL DAY OF PRAYER FOR CHILDREN

As a result of a recommendation made at the 2009 International Conference of Leaders, considered and recommended by the International Management Council and approved by the General, every Salvation Army territory and command should plan to observe an Annual Day of Prayer for Children on the Sunday nearest to 30 July each year - *this being the date, in 1880, on which evangelical work among children was begun in response to passionate representations made to the Founder by Captain John Roberts.*

THOUGHT FOR THE DAY

"God doesn't tell you to do hard things so He can stand back and laugh and watch you struggle. He tells you to do things the things that He knows are gonna work out to your good in the end." *Joyce Meyer*
